47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Ive happily been a Sonic customer in California and urge you to decline big business advantages so that smaller internet companies can compete. The sheer size of the top utilities providers is antithetical to a free market, and it is the responsibility of a regulatory body to fend off, not enable, further attempts to consolidate their power.
